

Accelerated Nursing Program Curriculum Guide

Prerequisite Requirements

The accelerated nursing program is open to students who have already completed a baccalaureate degree at an accredited institution. A minimum selective GPA of 3.0 through the date of application based on completion of the following prerequisite courses, which must be completed with minimum passing letter grades of C-: All science courses are recommended completed within the previous 7 years.

- Chemistry (preferably with some introductory organic and biochemistry content; including lab)
- Human Anatomy and Physiology (including lab) - Anatomy and Physiology courses must include all human body systems (Neuro, Cardiac, Respiratory, Endocrine, GI, GU, Musculoskeletal, Integumentary)
- Mathematics or Statistics
- Microbiology (including lab)
- Nutrition
- Psychology

Application Requirements

To enter the accelerated program students must apply using the NursingCAS system and be selected for admission into the nursing program. Completed application materials must be submitted directly to the NursingCAS system beginning in January. Application review begins July 1 and closes when the cohort fills. Admission is competitive and based on the following:

- Earned baccalaureate degree in a non-nursing major from an accredited institution of higher learning in the U.S. (See FAQ for additional information)
- GPA of 2.5 or higher on a 4.0 scale on all post high school work
- All prerequisite coursework (see above) must be completed with passing letter grades of C- or better (not taken as pass/fail or satisfactory/unsatisfactory) and an overall GPA on all selective prerequisite courses of 3.0 or higher.
- Completion of application materials via NursingCAS, including:
- Submission of original transcripts from all post high school institutions of higher learning
- Submission of 2 references
- Submission of a one-page resume
- Submission of a personal reflection
- Review of the application will not occur until all materials have been received through the NursingCAS program to the nursing department.

Spring Semester		<i>Credit Load</i>
